Speech is my hammer, bang the world into shape.
Yasiin Bey, 1999

Speech is my hammer, bang the world into shape.
Yasiin Bey, 1999

When submitting an application to graduate school, you can include auxiliary documents. There are no restrictions on what you can upload. Your application to graduate school is reviewed by professors in your field. This means that, in effect, I have been given a megaphone through which I can send any message I want to American academia.

This is my message.

Abstract
